Brahma

This Is H.H.S.

Only a photograph of a building, you say? How mistaken you are! To an outsider, yes, this is just another building - but to the students of Hallettsville High School it means much, much more. The friends made here, the achievements won, the disappointments suffered (but wisdom gained), and knowledge acquired here have made H.H.S. a very special building.

It would be hard to forget the crowded halls...the hours wasted during study hall...the assemblies...the excitement of a close game...the bumpy bus rides...cramming for tests...the mad scramble for the door...

And so, here is your book. We hope you will remember H.H.S. by it. In future years, it will serve as a record to recapture in memory the spirit of the fun and work you knew, and the friends you made and kept here in our Alma Mater.

In this dynamic world some things waver and fall, but those days at Hallettsville High will remain in your mind as a brilliant ray when the dull fog of strife is long forgotten. May this book help keep your memory bright.

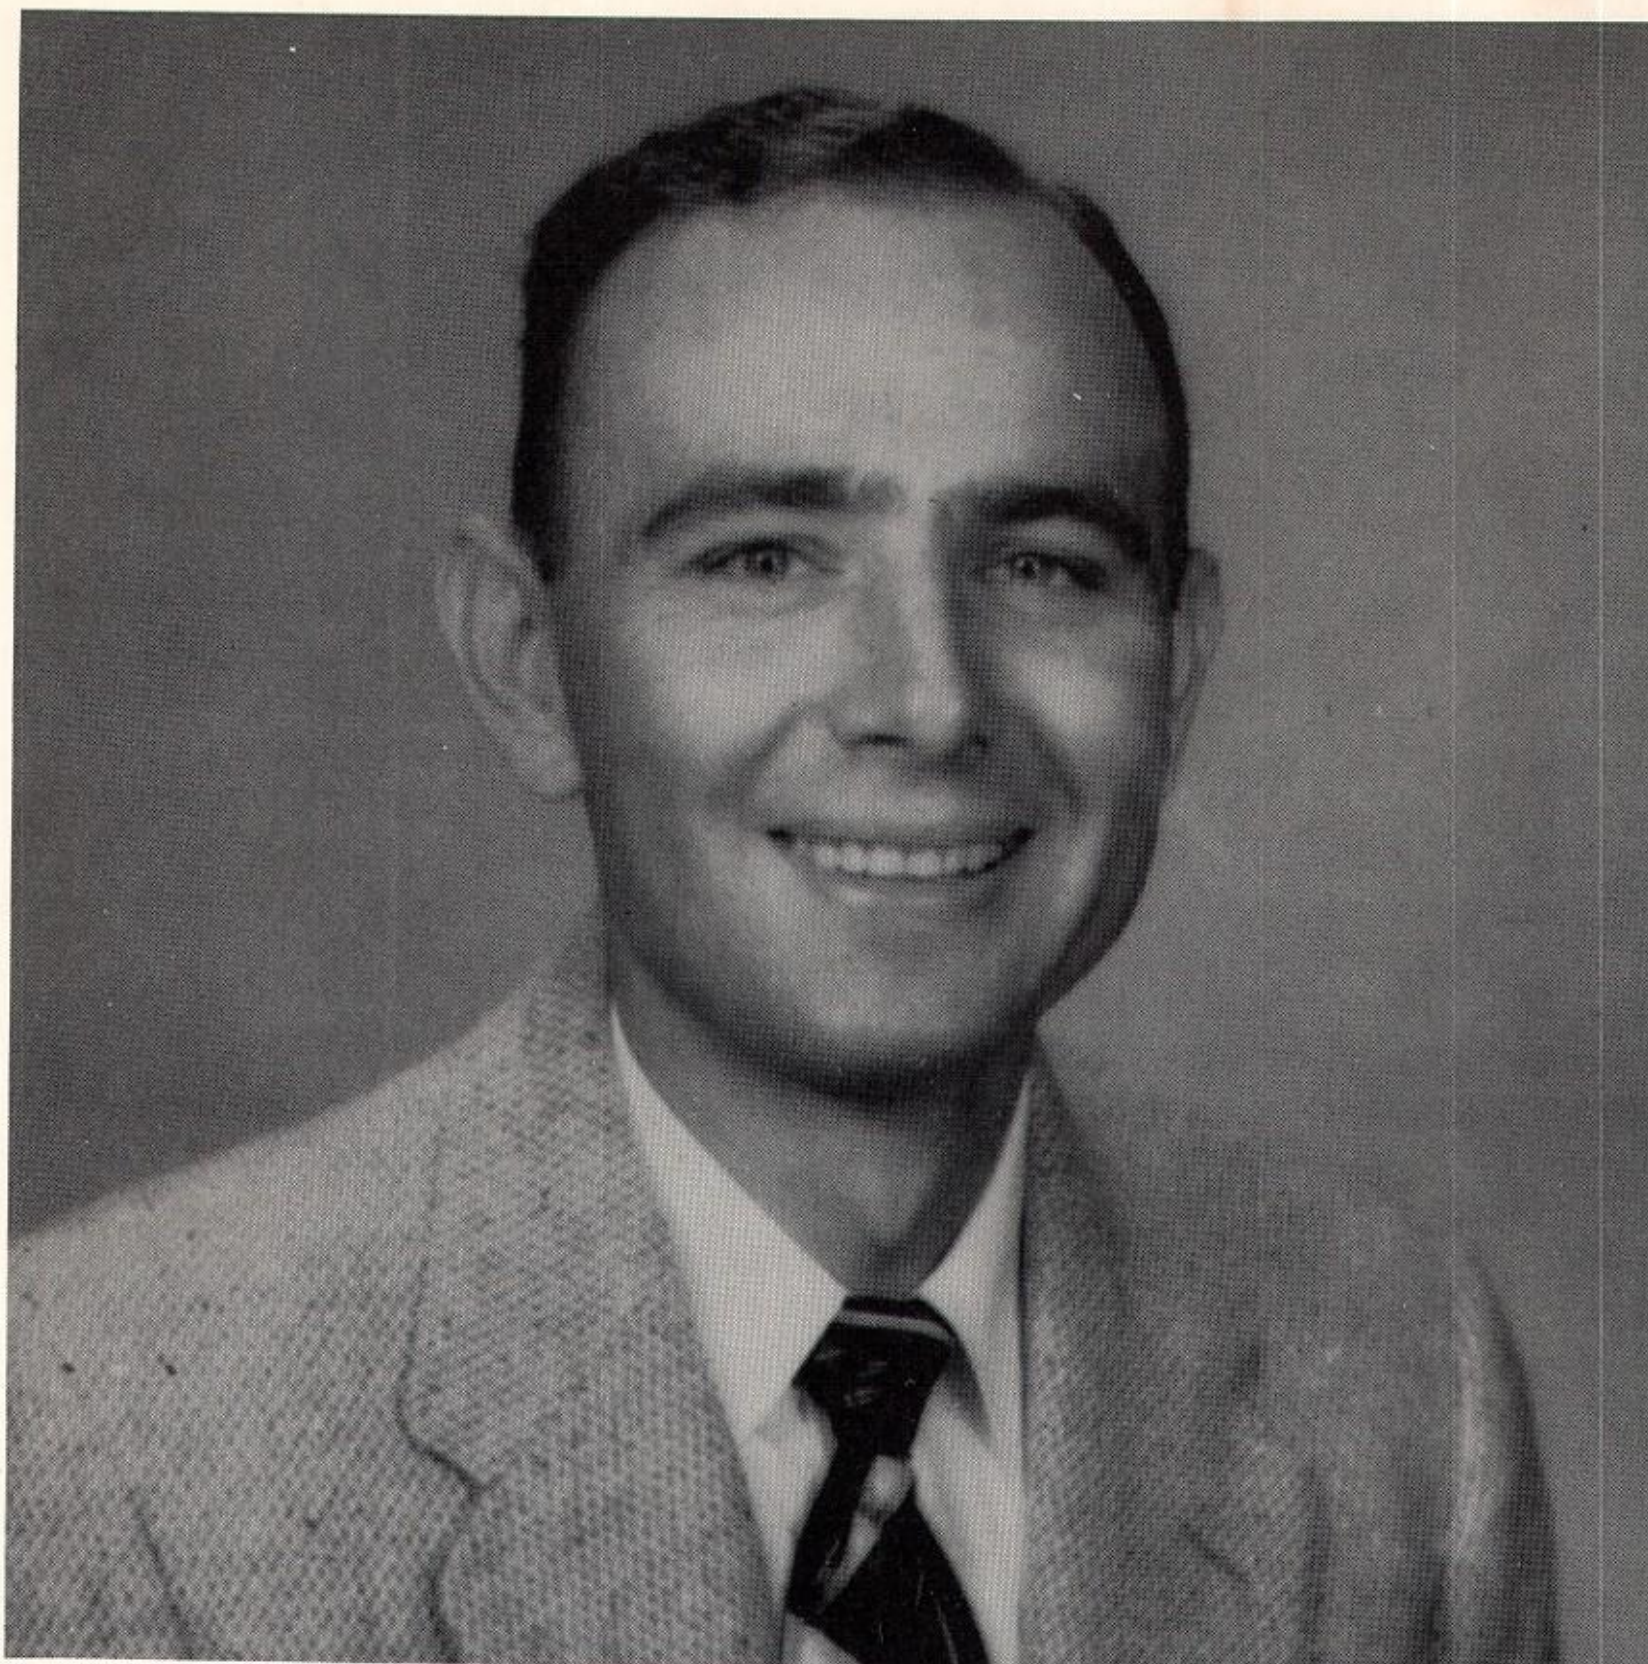

This is The Brahma for nineteen hundred and fifty-nine.

Annual Staff

It is the wish of the annual staff that this book, a treasure house of golden memories, may serve as a tie that binds and may recall happy moments of your school days spent at Hallettsville High.

Dedication

To our helpful and understanding teacher and principal who has worked without ceasing for our educational improvement; to one who encouraged and guided us in all our undertakings; who has taught us willingly, faithfully, and with fullest capacity, we proudly dedicate this 1959 edition of "THE BRAHMA" to our high school principal - - -

MR. ALLEN ALBRECHT

Superintendent's

Dear Friends:

The Senior Class of '58-59 has sponsored the school yearbook as have other senior classes in the past. Their endeavors will bring satisfaction to them and to all of us. I want to congratulate this year's class upon the completion of their high school work and the publication of the fine yearbook "The Brahma."

As the years pass by and the seniors of '59 take time to look back upon high school days they will find this yearbook a source of much pleasure. It is my hope that you will find success and that you will always look forward and seek always to improve upon that which you have achieved.

Sincerely

A cursive signature of Edwin E. Plowman.

A black and white photograph of five students in a school hallway. Four girls are standing in a line, each holding a large stack of books. They are dressed in mid-20th-century school attire, including skirts, blouses, and sweaters. A boy stands to the right, looking at the books. The background shows a row of lockers and a brick wall.

A black and white illustration of a drafting table. A large T-square is positioned on the table, with a pencil resting on its horizontal arm. The table surface is covered with a sheet of paper that has the words "Art Staff" written on it in a cursive script. The table is shown from a perspective that highlights its slanted top and the tools used for technical drawing.

Class History

It was a long time ago that the Senior Class of 1959 entered Hallettsville High School. On a bright and peaceful morning in September of 1947 Nina Boethel, Carey Boethel, Dolores Botard, Harry Hamilton, Sandy Miller, Doris Nance, Roslyn Renger, Kent Sobotik, Shirley Tesch, Audrey Teltschik, Dorothy Treptow, Arthur Wick, Melvin Zapalac and Johnny Zumwalt were greeted by the smiling face of Miss Alva Timm. Little did they know then that they were the beginning of one of the greatest classes to graduate from Hallettsville High School. In the second grade Gladys Muhlstein, Dick Bennett, and Pat Roth joined the class. Then as the third grade approached us we found Bonnye Whitley and Helen Galetka sitting among us. Our class was then enlarged by seven when Carolyn Appelt, Bobby Cole, Levern Judd, Lynette Klimitchek, Delton Koehn, Hedy McCrumb, and Jane Richards joined us in the 4th grade. We were divided in the 5th grade when David Myers, Charlene Sevcik, Bennie Tesch, Elsie Vavrusa, Wilma Woytek, David Pagel, and Melvin Rother joined us. Our class increased to 36 in the 7th grade after Gaynelle Grones, Mary Mizera, and Sylvester Kutach entered our class. In the 8th grade Howard Petrich, Milton Rabel, Emith Orsak, Daniel Drozd, and Harvey Wagner became members of our class. As we came booming into Study Hall in 1956 as Freshmen we had with us James Barborak, Elroy Berger, Vivian Berger, Jimmy Foeh, August Klekar, Dorothy Konechy, Franklin Mozisek, and Eugene Pauler. We might also add that Johnny Zumwalt wore shoes to school for the first time that day. Our class continued with the same number until our Junior year when Moravia mobbed us with Lillian Blahuta, Doyleen Chromcak, Monica Hrnecir, Naomi Hrnecir, and Jimmie Konvicka. Besides this group Pete Foster, Patricia Janak, Margie Kresta, Alois Machicek, Bernice Mosizek, Dennis Svetlik, Margaret Technik, Bill Tuttle, Kenneth Orsak, and Vernon Obelgoner entered our class. Our Senior year Sue Blanchard and Penny Walthall brought our class to completion with 66 members.

We feel our class has made many accomplishments worth mentioning and as a whole.

One of our first accomplishments of the whole class was winning the Halloween Queen Race our Freshman year. This was a result of our cooperation and hard work. Our Junior Prom we know will long be remembered as one of the most beautiful proms ever staged at the H.H.S. gym. The last activity was our Talent Show consisting of every member of our class. It was a great success and enjoyed by everyone.

As for individual accomplishments our class has ranked high.

SCHOLASTICALLY - One third of the members of our class have a 90 or above average. We have many individuals who have gained recognition in Interscholastic League Events, such as number sense, one-act play, and declamation.

MUSICALLY - Nineteen members of our class have been members of the band and many have received awards and scholarships. Besides outstanding instrumentalists we have several noted vocalists.

ATHLETICALLY - Our class has ranked higher than previous ones. Being well represented in football, track, tennis, baseball, and girls' and boys' basketball; many of the teams of which individuals of our class were members have attained goals in District, Regional, and State Quarter Finals.

The above accomplishments are not meant to sound boastful, but this is our way of showing our class pride.

To our wonderful faculty without whom our history would never be complete, we hope that you will remember us as a class displaying leadership, talent, cooperation, determination, and all other qualities that make up an outstanding class, but most of all, may we just be remembered.

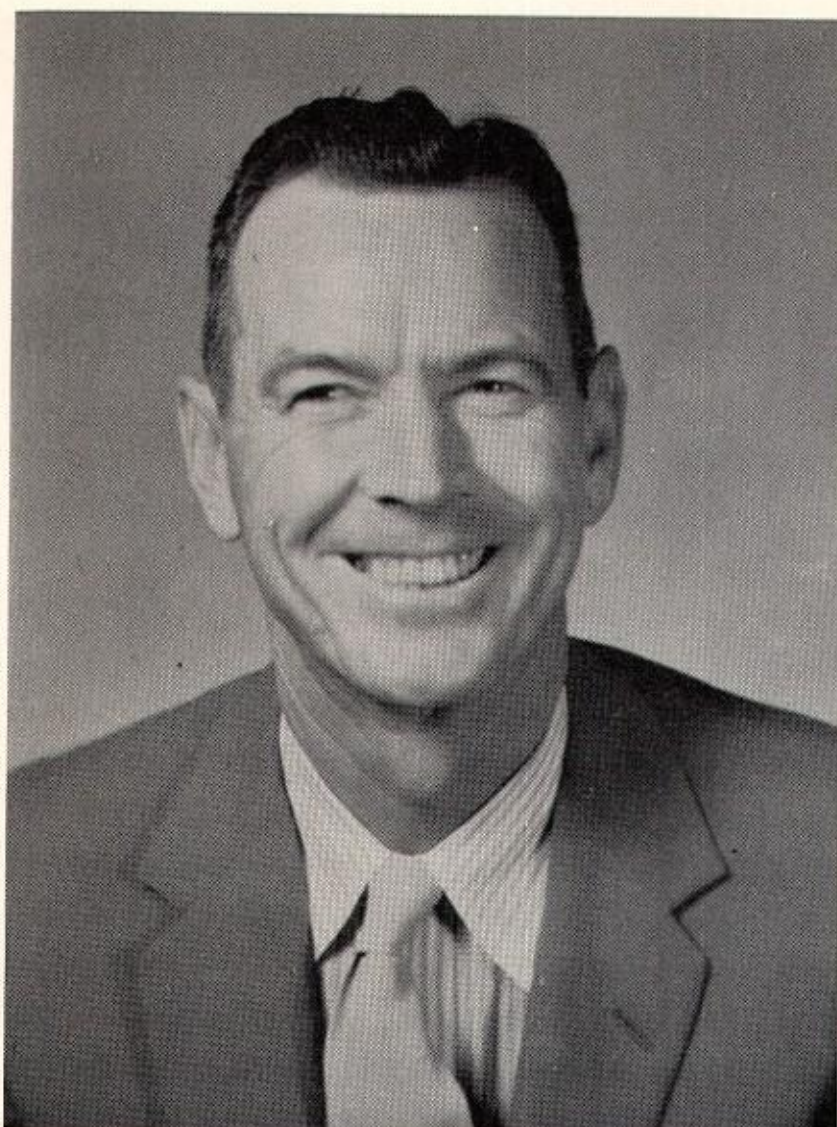

As we leave this gym tonight, we are leaving behind us many pleasant memories. We hope that as each of us go our separate ways in life, we may be as successful alone, as we were together!

Elementary Principal's Message

Dear Students:

Students are always being given advice. If they take the advice given they are fine students. If they do not heed, they are "not so bright."

To all who will read this let me say - work hard and your accomplishments will be many; be friendly and like people and you will have many friends; live a rich, full life and it will be rewarding in many ways; thank God earnestly for your blessings and you will receive many.

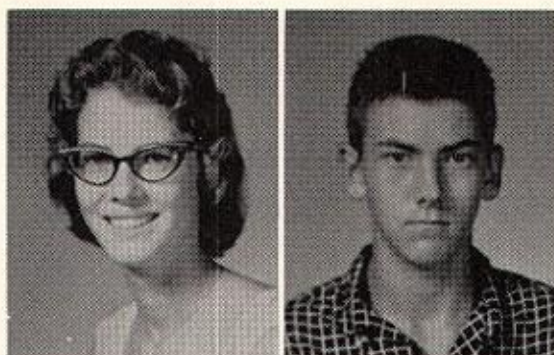

We are all grateful to the Senior Class for this edition of The Brahma. We wish you God-speed and the best in life.

Yours truly,

A handwritten signature in cursive script that reads "Roy Abshier, Jr." The signature is written in dark ink and is positioned below the typed name.
